First Church of Christ

Change to change is back at First Church of Christ. The idea is pretty simple. When you come to church, drop any empty change you may have

in your pocket in the

boxes that are located on the communion tables. All money donated will go to bless those in our community who are in need. We will not be giving cash to individuals, but we will be helping them with electric bills and gas payments and medical needs. It just gives us an opportunity to take Matthew 25 and put it into practice in the lives of people who are in need. Thank you for your generosity.

The school year is

winding down and I would guess students and teachers alike are excited for summer. As you make summer plans, we would like to make you aware of the wonderful camp program at Lake James Christian Assembly. They have a wide variety of summer activities that cover almost all ages of kids. I think one of the best things about camp is it gives kids a week away from a lot of their technology and gives God an opportunity to speak to them. If you have kids or grandkids, I will strongly encourage you to take advantage of this great opportunity. You can log onto Lake James Chris-

tian Assembly website (www.ljca.org), or you can call the church and we will do our best to get you any information that you may need. The church pays \$100 per child toward the registration fee. Speaking of opportunities for your kids or grandkids this summer. Jon List shared that Vacation Bible School this summer will be one day on June 15. I hope you will get your kids/grandkids registered for this great event.

I know sign-up sheets will be up soon as well, and I pray that you will donate and serve in any way that you can. As we follow

what's in the news and the direction things are going in our culture, I think we need to be doing all that we can for our children. Satan seems to be on an all-out assault on our kids in the family. As a church we need to take a stand.

As you go about all your activities just a reminder our

John 14:2

In my Father's house are many rooms. If it were not so, would I have told you that I go to prepare a place for you?

MOPS and MOPS Next is coming to FCC beginning Wednesday, September 1st. MOPS is an international organization for mothers with chil-

dren of any age. The group will meet the first and third Wednesdays of each month, 6:15-7:30 PM. A nursery will be available. All women in the community are welcome. Stacie Beerbower leads this group.

A ladies' Bible study will be available on the second and fourth Wednesdays. Kim Snavelly is leading a study on hope.

lives are not a series of events to get through but connections to be made. Maybe take advantage of those opportunities to share the love of Christ with those we work with, go home to, engage in activities with and worship with. Christ changed the world one relationship at a time, and we can have great influence as well one relationship at a time.

Destined to Win,
Larry Snavelly
