Eight Signs the “Man of Lawlessness” Is Near

Written on June 18, 2023 by [admin](#) in [Uncategorized](#)

4. The increasing concern about UFOs. Jesus warned that in the last days, “There will be signs in the sun, moon, and stars...” ([Luke 21:25a](#)). Some suggest these terrestrial “signs” could be an increase in apparitions of spiritual beings. Gary Bates, CEO of Creation Ministries International, has spent years researching reports of UFOs and alien abductions and suggests these “aliens” were NOT beings from another planet but demons manifesting themselves in these last days. Bates interviewed 400 Christians who claimed similar interactions with alien beings. And when these believers called on Jesus to help them, the “aliens” disappeared.

Some Christian scholars speculate these increased reports of alien sightings could become a basis for the antichrist to unite the world against a perceived otherworldly enemy. And, if Christians are raptured from the world prior to the tribulation, explaining away their disappearance as alien abductions makes uniting the world in response a much more

plausible theory.

Nevertheless, the Bible warns, “*The coming of the lawless one will be in accordance with how Satan works. He will use all sorts of displays of power through signs and wonders that serve the lie, and all the ways that wickedness deceives those who are perishing. They perish because they refused to love the truth and so be saved*” ([2 Thessalonians 2:9-10](#)).

5. The increasing movement toward a cashless society. Nowhere does the Bible correlate the invention of the internet as a sure sign of Jesus’ return. However, the Bible says that one way the Antichrist will rule the world is by controlling the world economy. Without the mark of the beast, no one can buy or sell. (See [Revelation 13:17](#).) Just a few decades ago, we wondered how anyone could possibly control what was bought or sold in remote areas. Yet, with the prevalence of the internet and subsequent technological advancements such as facial recognition, smartphones, Q.R. codes, cryptocurrency,

etc., we now have a better understanding of how that could occur. The World Economic Forum is lobbying for a cashless society, suggesting it will create a more inclusive economy since it could be managed by governments rather than banks. And, with more than 85% of the entire global population now owning a smartphone, emerging technologies make the transition to a cashless society much easier.

6. The formation of the European Union. The prophet Daniel predicted the people who destroyed Jerusalem would eventually be the ancestors of “*the ruler who will come*” ([Daniel 9:26](#)). Jerusalem was destroyed by the Romans in A.D. 70. Therefore, many scholars suggest the Antichrist will descend from a revised Roman Empire. Some suggest a step toward this prophecy being fulfilled was the unification of Europe in 1993, when twelve member nations, including Italy, signed the Maastricht Treaty to form the European Union.

7. The 2020 Covid Pandemic. Regardless of the origin of Covid-19, it created global

fear, tested submission to human authority, prepared for international oversight, and propagated lies about masks, vaccinations, and economic shutdowns. Since going through the pandemic, it is much easier for us to understand how in the end times, people throughout the world would blindly concede to unfair political and governmental demands, even under minimal threat.

8. The bizarre promotion of gender confusion. The Bible warns in the last days, God “*...sends them a powerful delusion so they will believe the*

lie" (2 Thessalonians 2:11). People will refuse to "believe the truth and delight in wickedness" (2 Thessalonians 2:12).

The first institution God established was the family. He created a man and a woman and brought them together in a holy union. Marriage is the building block of society. Satan is determined to destroy what God has created. In the last few years, a blatant lie has been crammed down our throats — that gender is not something you were born with, but it is what you feel inside.

Men claiming to be women are allowed to compete in women's sports and rob biological women of achievements. While other men, under the pretense of "art," masquerade as exaggerated female stereotypes and purposely expose children to hyper-sexualized behavior in libraries and elementary schools throughout the U.S. The U.S. Secretary of State endorsed a "Woman of the Year" award given to a biological man. The Bible warns, "Although they claimed to be wise, they became fools" (Romans 1:22).

Satan is desensitizing us to the truth and capturing the minds of our children. The goal of this cult is not tolerance but control. Below is a recent viral video from Jeffrey Marsh, a transgender person who warned, "You will respect us."

This video is satanic. It is evil, and it would have never been tolerated 20 years ago. Yet Satan is desperate. He knows his time is short and is determined to wreak as much havoc as possible. I think the growing acceptance of transgenderism is proof that "The secret power of lawlessness is already at work..." (2 Thes-

I make all
things new.*

salonians 2:7).

"But you, brothers and sisters, are not in darkness so that this day should surprise you like a thief. You are all children of the light and children of the day. We do not belong to the night or to the darkness. So then, let us not be like others, who are asleep, but let us be awake and sober" (1 Thess. 5:4-6).
